CHARGE WIZARD

Progressive Dynamics converter with the patented 4-stage Charge Wizard® system has been shown to increase the battery life by 2 to 3 times or more. The Charge Wizard constantly monitors battery voltage and battery usage then selects one of four operating modes to properly charge and maintain the battery. Boost, Normal, Storage & Equalization.

WATER FILTRATION

This compact unit filters water for the entire coach, eliminating those unwanted contaminants and odors, ensuring safe drinking water for you and your family.

BEAUFLOR FLOORING

Beauflor: A better grade of flooring that is slip resistant even in wet conditions and highly resistant to tears. Unlike vinyl floors with paper backing, our backing remains stable in extreme hot or cold and is backed by a seven-year cold crack warranty.

SUPER LITE WALLS

All models use SuperLite composite instead of a wood substrate on the sidewalls. It is lightweight, formaldehyde free and is not affected by moisture.

FIBERGLASS ROOF

Our fiberglass roof is extremely durable, easy to clean and will not cause black streaks like a rubber roof will.

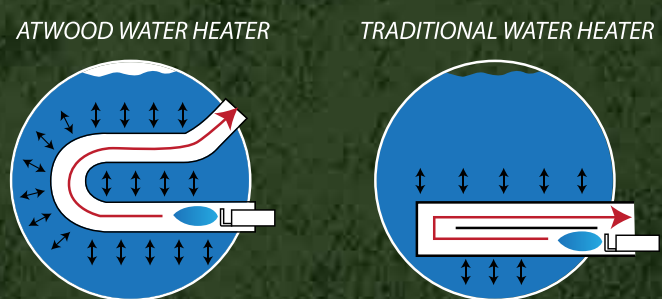

DUCTED AIR

All floorplans have ducted air and crowned fiberglass roofs to shed water. (R-18)

ATWOOD WATER HEATER

Atwood 18 GPH water heaters (6-gallon tank) out-perform traditional 10 and 12 gallon tank water heaters. They're also 50% lighter and have no anode rod to replace.

INTEGRATED STEP

The entry step is integrated into the sidewall. No more slippery, or damaged power steps.

7,500 LB. TOW CAPACITY FORD E450 ONLY

MEMORY FOAM

Memory foam mattress will ensure a good nights sleep.

USB CHARGING STATION

Our 4-port USB charging station runs on 12V power. No need to run the generator to charge all your devices.

LED LIGHTING

LED lights generate almost no heat compared to incandescent lights and use substantially less power.

HEATED AND ENCLOSED HOLDING TANKS

Your tanks and valves are protected using warm air from the furnace. Unlike electric pad heaters that only heat a small area, the whole compartment is kept warm.

NAVIGATION/BLUETOOTH/ MULTIMEDIA SYSTEM

Our multimedia system features AM/FM/DVD, Bluetooth pairing for hands free calling, iGo Primo navigation software, Sirius radio and more.

POWER AWNING WITH LED LIGHT STRIP

Extend and retract your awning with the push of a button. Both arms are adjustable to get just the right angle.

RESIDENTIAL DRAWER GUIDES

Full extension ball bearing drawer guides open fully for easy access to storage.

FIRESTONE RIDE-RITE

Adjustable air springs provide an improved ride and a better way to balance loads.

As always, Forester offers more standard features including:

- SPARE TIRE
