Hey Mom and Dad! So, it's our first camping adventure in our new 27DBUD. Debbie and Suzy really loved it! We hiked and fished and I don't think they slept the whole time! You wouldn't believe the power options on this trailer! Made life easy, and the glow of the LED awning light at night was really nice. Love you and see you soon!

RV Technical & Roadside Assistance

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!
