COTTAGE'S NEW 40CL - "THE LOFT"

The versatile 40CL loft model expands living space vertically. Use it as a second bedroom, complete with large, 42" x 72" bunk mats and plenty of storage; a kid-friendly play area, or an attic. This contemporary, storage-friendly island kitchen is shown with stainless steel appliances, a double bowl, stainless steel sink with a gooseneck faucet, plus an optional 20 cu. ft. electric refrigerator with an ice maker. The Jensen Home Theater System includes: a 50" LED TV, CD/DVD Player, AM/FM Stereo, and J-Control App for your smart devices. This luxury living space also includes an electric fireplace.

40CL

The generous master bedroom includes a king Denver residential, 8" thick mattress complimented with a fitted bedspread and pillows. Additional features include: 32" Jensen television, King WiFiMax signal booster, washer/dryer prep and Congoleum™ Designer Series® vinyl floor covering.

Cottage bathrooms feature a 48" residential, one-piece fiberglass rectangular shower with sliding glass doors, a large seat and an upgraded shower head. An 18" circular flow porcelain toilet and linen cabinet complete this spacious bathroom.

The Cottage Edition 102" wide body trailer offers more square footage of quality living space with outstanding furnishings.

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

**Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

All Weights listed at left are base weights. Weight capacities +/- 5%. NOTE: Model number of any particular unit does not necessarily reflect the overall length of the unit itself.

The standard KING Wi-Fi MAX Wi-Fi router/range extender creates your own personal, private and secure Wi-Fi network, just like at home. It can be configured to connect to available networks and devices with password access.

These day shades with blackout roller shades offer the best of both worlds. They're actually two shades in one – a night fabric lowers completely for privacy, or can be retracted to the top to reveal a full length day shade. Both day and night shades can be set in any position and are designed with speed and length controls for privacy or a scenic view.

Optional Fisher and Paykel water saving dishwasher

Optional Cadet wall mounted heater. Enjoy quiet, comfortable, self-regulating heat or fan only air circulation in the bedroom while using less propane.

This huge under-counter mount, 60/40 double-bowl stainless steel kitchen sink comes with sink covers.
