Forester

BEAUFLOR FLOORING

Beauflor: A better grade of flooring that is slip resistant even in wet conditions and highly resistant to tears. Unlike vinyl floors with paper backing, our backing remains stable in extreme hot or cold and is backed by a two-year cold crack warranty.

Forester

FIBERGLASS ROOF

Our fiberglass roof is extremely durable, easy to clean and will not cause black streaks like a rubber roof will.

Forester

DUCTED AIR WITH A "QUICK-COOL" FEATURE

All Forester have ducted air and crowned fiberglass roofs to shed water. (R-18)

Quick-Cool diverts 85% of cool air to the center of the coach.

Forester

WATER FILTRATION

You'll appreciate the water filtration system that is standard with each Forester. This compact unit filters water for the entire coach, eliminating those unwanted contaminants and odors. Insuring safe drinking water for you and your family.

Forester

EXCLUSIVE SERTA MATTRESS
OPTIONAL

Serta is the #1 supplier to the hotel industry, just one night in a Forester and you'll see why.

Forester

FIRESTONE RIDE-RITE

Adjustable air springs provide an improved ride and a better way to balance loads

Forester

HEATED AND ENCLOSED HOLDING TANKS

The Forester features a heated and enclosed utility station. Your tanks and valves are protected from mud, ice and other road debris.

Forester

INTEGRATED STEP

Forester's entry step is integrated into the sidewall. No more slippery, or damaged power steps.

Forester

POWER AWNING

Extend and retract your awning with the push of a button. Both arms are adjustable to get just the right angle.

Forester

RESIDENTIAL DRAWER GUIDES

Full extension ball bearing drawer guides open fully for easy access to storage.
