MAC

Making your investment go a long way.

Flagstaff takes pride in packing the most value possible into our MAC series. Finding the perfect fit for the specific needs of your active family is made easier by the wide variety of floor plans available. While each model comes standard with many features, you still have flexibility to incorporate as many options as you choose to fit your camping preferences.

* See back cover for further specification definitions.

Sports Enthusiast Package

Welcome to the Flagstaff Sports Enthusiast Package (SE), a camper designed for active couples and families. Whatever the preference; mountain biking, canoeing, paddle boarding or surfing, the SE camping trailers are designed to allow you to make the most of your outdoor experience.

Built for 21st century camping. The SE package includes a AM/FM stereo with Bluetooth technology, a MP3 Player and USB auxiliary ports for streaming and recharging, LED lighting and a WIFI Ranger WIFI booster.

Cargo carrying versatility. The Flagstaff SE camper features ProRac Systems, Inc. permanent mount cross bars that provide a load-bearing surface for SE carrying up to 150 lbs. of a wide variety of outdoor sports equipment.

Unbounded adventure. Distinctive fender flairs and 15" Mud Rover Radial Tires with Aluminum Wheels provides 12" of ground clearance to go anywhere. Each SE is solar power ready, so get off the grid!

Classic

A proven track record makes this unit a Classic camper. Year in and year out the Classic series consistently delivers with outstanding features and styling to enhance your camping experience. The swing down galley and standard power lift make the Classic a breeze to set up. The expansive seating throughout the camper gives everyone plenty of room to sit and enjoy themselves.

Model No.
425D

High Wall

Leave the campground bath house behind. Welcome to the Flagstaff High Wall Series. We have designed this series for the camping family who wants the refinement of larger vacationing units in a light-weight camper. Ample counterspace, upgraded appliances, convenient pull-up curtains providing a wide view of the surroundings and tasteful interiors make this camper a gorgeous option to experience.

C Gas Strut Lift Assist (Std. Hard Side Models w/ Manual Lift Roof Only)

D Power Roof Lift Assist

Hard Side

Vacations like a larger travel trailer and stores like a camper. The Hard Side folding camper brings a smooth, fiberglass vacuum bonded exterior with quick, easy set up, while retaining the towing and storage advantages of the Classic tent camper. Making it the perfect product for your camping adventure.

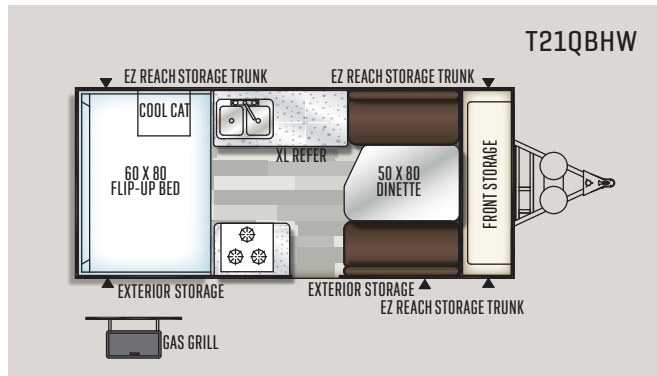

Model No.
T12RB

Hard Side High Wall

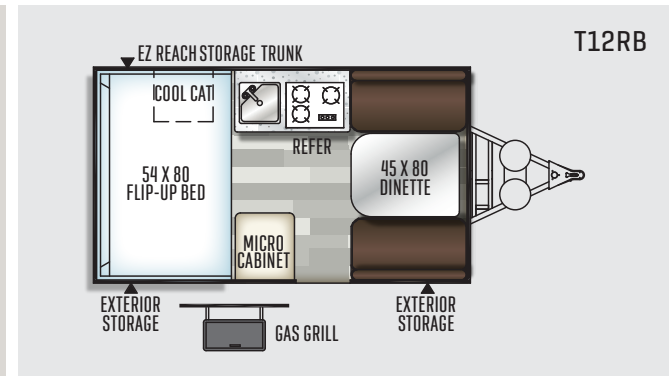

It's your vacation. Why not go out in style? The Flagstaff High Wall campers are perfect for those families who want the luxurious features of a travel trailer in a much lighter towable option. The rich maple colored cabinetry, stainless steel finishes and beautiful wood grain-look flooring puts this camper in a class of its own.

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

SPECIFICATION DEFINITIONS

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

** Estimated average based on standard build optional equipment

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

Flagstaff Warranty. Our Promise.

FOR DETAILS ON FLAGSTAFF'S COMPLETE WARRANTY PROGRAM, SEE YOUR FLAGSTAFF DEALER. When it comes to backing products with the same quality and commitment it does when it begins the manufacturing process, the only name you have to remember when you're looking for a recreational vehicle is Flagstaff. Flagstaff offers the following additional limited warranties to the original purchasers. Consult written warranty for details.

1. Five-year roof warranty (Excludes Hardsides), 2. Twenty-five-year floor warranty, 3. Five-year frame warranty, 4. Five-year tent warranty, 5. Ten-year warranty on torsion axle suspension, 6. Limited lifetime warranty of lifter system (Excludes Hardsides)
