CELEBRATING 10 YEARS OF CRAFTSMANSHIP & INNOVATION
#1 SELLING RV UNDER 20 FT. IN NORTH AMERICA

1. ALUMINUM CONSTRUCTION
   - Aluminum framing around all openings
   - Best structural integrity in its class

2. AZDEL® WALL CONSTRUCTION
   - Laminated sidewalls, slide-outs, floors and flat roof section
   - AZDEL® Exterior
   - Block Foam Insulation
   - Gel Coat Fiberglass

3. ONE PIECE FIBERGLASS ROOF
   - One piece of fiberglass front to back
   - No seams
   - Maximum resistance to water intrusion

4. AUTOMOTIVE WINDOW SEALS
   - Water tight and weatherproofed
   - No caulking required
   - Zero Maintenance

5. BEST IN CLASS TOW
   - Torsion axle w/ independent suspension
   - 15” Nitrogen-filled radial tires
   - Self-adjusting electric brakes

6. AZDEL® EXTERIOR CONSTRUCTION
   - Durability and longevity

7. POWERED THULE® AWNING
   - Largest coverage in class
   - Built-in LED light strip
   - Optional – select models

8. ONE PIECE FIBERGLASS ROOF
   - Seamless
   - Maximum resistance to water intrusion
   - Strongest in its class

9. TORSION AXLE W/ INDEPENDENT SUSPENSION
   - Even weight distribution

10. 15” NITROGEN-FILLED RADIAL TIRES
    - Improved traction and stability

11. SELF-ADJUSTING ELECTRIC BRAKES
    - Consistent brake performance

12. LARGEST COVERAGE IN CLASS
    - BETTER AIRFLOW - 10 BLADES, 12” DIAMETER

13. PET BOWLS
    - PET LEASH CONNECTION
    - OUTSIDE SHOWER

14. MAXXAIR® FAN
    - 4 SPEEDS
    - 12 VOLT POWERED – SOLAR READY!

15. SOLAR PACKAGE OPTIONAL
    - 2 BURNER COOKTOP
    - SPRAY PORT W/ DRY SINK
    - COMPLETELY REMOVABLE

16. 3.7 CUBIC FOOT 36 GAL.
    - GAS ELECTRIC 12 VOLT REFRIGERATOR
    - 30 GAL.
      - FRESH WATER
    - 30 GAL.
      - GREY WATER
    - 30 GAL.
      - BLACK WATER

17. CAMP LONGER
    - Fill & Empty Your Tanks Less. Largest Holding Tanks in Class.

18. STEEL FRAME W/ ALUMINUM SHEATHING
    - Lightweight construction

19. ALUMINUM CONSTRUCTION
    - Pet bowls
    - Pet leash connection
    - Outside shower

20. AZDEL® EXTERIOR CONSTRUCTION
    - Seamless, maximum resistance to water intrusion

21. FIBERGLASS EXTERIOR
    - Maximum durability

22. INTERIOR PANEL
    - Insulation
    - AZDEL
    - Fiberglass

23. WATER-RESISTANT Inter-Laminated, Nontoxic
    - Long-lasting, eco-friendly

24. SOLAR DUAL PANEL
    - High efficiency, energy saving

25. POWERED THULE® AWNING
    - LARGEST COVERAGE IN CLASS
    - BUILT-IN LED LIGHT STRIP
    - OPTIONAL – SELECT MODELS

26. BEST IN CLASS TOW
    - Torsion axle w/ independent suspension
    - 15” Nitrogen-filled radial tires
    - Self-adjusting electric brakes

27. ONE PIECE FIBERGLASS ROOF
    - Seamless
    - Maximum resistance to water intrusion
    - Strongest in its class

28. INTERIOR LIGHTING
    - Built-in LED light strip
    - Multi-level dimming

29. ALUMINUM CONSTRUCTION
    - Aluminum framing around all openings
    - Best structural integrity in its class

30. AZDEL® WALL CONSTRUCTION
    - Laminated sidewalls, slide-outs, floors and flat roof section
    - AZDEL® Exterior
    - Block Foam Insulation
    - Gel Coat Fiberglass

31. AUTOMOTIVE WINDOW SEALS
    - Water tight and weatherproofed
    - No caulking required
    - Zero Maintenance

32. BEST IN CLASS TOW
    - Torsion axle w/ independent suspension
    - 15” Nitrogen-filled radial tires
    - Self-adjusting electric brakes

33. ALUMINUM CONSTRUCTION
    - Aluminum framing around all openings
    - Best structural integrity in its class

34. AZDEL® WALL CONSTRUCTION
    - Laminated sidewalls, slide-outs, floors and flat roof section
    - AZDEL® Exterior
    - Block Foam Insulation
    - Gel Coat Fiberglass

35. AUTOMOTIVE WINDOW SEALS
    - Water tight and weatherproofed
    - No caulking required
    - Zero Maintenance

36. ONE PIECE FIBERGLASS ROOF
    - One piece of fiberglass front to back
    - No seams
    - Maximum resistance to water intrusion

37. BEST IN CLASS TOW
    - Torsion axle w/ independent suspension
    - 15” Nitrogen-filled radial tires
    - Self-adjusting electric brakes

38. ALUMINUM CONSTRUCTION
    - Aluminum framing around all openings
    - Best structural integrity in its class

39. AZDEL® WALL CONSTRUCTION
    - Laminated sidewalls, slide-outs, floors and flat roof section
    - AZDEL® Exterior
    - Block Foam Insulation
    - Gel Coat Fiberglass

40. AUTOMOTIVE WINDOW SEALS
    - Water tight and weatherproofed
    - No caulking required
    - Zero Maintenance

41. ONE PIECE FIBERGLASS ROOF
    - One piece of fiberglass front to back
    - No seams
    - Maximum resistance to water intrusion

42. BEST IN CLASS TOW
    - Torsion axle w/ independent suspension
    - 15” Nitrogen-filled radial tires
    - Self-adjusting electric brakes

43. ALUMINUM CONSTRUCTION
    - Aluminum framing around all openings
    - Best structural integrity in its class

44. AZDEL® WALL CONSTRUCTION
    - Laminated sidewalls, slide-outs, floors and flat roof section
    - AZDEL® Exterior
    - Block Foam Insulation
    - Gel Coat Fiberglass

45. AUTOMOTIVE WINDOW SEALS
    - Water tight and weatherproofed
    - No caulking required
    - Zero Maintenance

46. ONE PIECE FIBERGLASS ROOF
    - One piece of fiberglass front to back
    - No seams
    - Maximum resistance to water intrusion

47. BEST IN CLASS TOW
    - Torsion axle w/ independent suspension
    - 15” Nitrogen-filled radial tires
    - Self-adjusting electric brakes

48. ALUMINUM CONSTRUCTION
    - Aluminum framing around all openings
    - Best structural integrity in its class

49. AZDEL® WALL CONSTRUCTION
    - Laminated sidewalls, slide-outs, floors and flat roof section
    - AZDEL® Exterior
    - Block Foam Insulation
    - Gel Coat Fiberglass

50. AUTOMOTIVE WINDOW SEALS
    - Water tight and weatherproofed
    - No caulking required
    - Zero Maintenance

51. ONE PIECE FIBERGLASS ROOF
    - One piece of fiberglass front to back
    - No seams
    - Maximum resistance to water intrusion

52. BEST IN CLASS TOW
    - Torsion axle w/ independent suspension
    - 15” Nitrogen-filled radial tires
    - Self-adjusting electric brakes

53. ALUMINUM CONSTRUCTION
    - Aluminum framing around all openings
    - Best structural integrity in its class

54. AZDEL® WALL CONSTRUCTION
    - Laminated sidewalls, slide-outs, floors and flat roof section
    - AZDEL® Exterior
    - Block Foam Insulation
    - Gel Coat Fiberglass

55. AUTOMOTIVE WINDOW SEALS
    - Water tight and weatherproofed
    - No caulking required
    - Zero Maintenance

56. ONE PIECE FIBERGLASS ROOF
    - One piece of fiberglass front to back
    - No seams
    - Maximum resistance to water intrusion

57. BEST IN CLASS TOW
    - Torsion axle w/ independent suspension
    - 15” Nitrogen-filled radial tires
    - Self-adjusting electric brakes

58. ALUMINUM CONSTRUCTION
    - Aluminum framing around all openings
    - Best structural integrity in its class

59. AZDEL® WALL CONSTRUCTION
    - Laminated sidewalls, slide-outs, floors and flat roof section
    - AZDEL® Exterior
    - Block Foam Insulation
    - Gel Coat Fiberglass

60. AUTOMOTIVE WINDOW SEALS
    - Water tight and weatherproofed
    - No caulking required
    - Zero Maintenance

61. ONE PIECE FIBERGLASS ROOF
    - One piece of fiberglass front to back
    - No seams
    - Maximum resistance to water intrusion

62. BEST IN CLASS TOW
    - Torsion axle w/ independent suspension
    - 15” Nitrogen-filled radial tires
    - Self-adjusting electric brakes

63. ALUMINUM CONSTRUCTION
    - Aluminum framing around all openings
    - Best structural integrity in its class

64. AZDEL® WALL CONSTRUCTION
    - Laminated sidewalls, slide-outs, floors and flat roof section
    - AZDEL® Exterior
    - Block Foam Insulation
    - Gel Coat Fiberglass

65. AUTOMOTIVE WINDOW SEALS
    - Water tight and weatherproofed
    - No caulking required
    - Zero Maintenance

66. ONE PIECE FIBERGLASS ROOF
    - One piece of fiberglass front to back
    - No seams
    - Maximum resistance to water intrusion
