

CONNECTANYWHERE

QUICK START GUIDE

1 DOWNLOAD THE LCI ONECONTROL APP

From your smart device open the app store and download the LCI ONEControl App.

2 CREATE ONECONTROL USER ACCOUNT AND CONNECT YOUR RV

Once Downloaded, open ONEControl, and follow the in-app prompts to create a user account and connect your RV.

3 BE SURE TO VERIFY YOUR EMAIL ACCOUNT

Once you have created a user name and password for the LCI community you will be sent a verification email.

4 LOGIN TO LCI USER COMMUNITY

Once an email address has been verified you will be automatically routed to the LCI Community Login page. This is where you'll enter in the username and password that you setup earlier in the process.

5 SELECT YOUR DATA PLAN

Open the menu bar on the LCI Community webpage and select data plans from that list.

6 DATA PLAN OPTIONS

You will then be asked to select the data plan that best suits your needs. Some other device information will also be required. Follow the prompts until the process is completed.
