

10 SERIES

NOBO

NO BOUNDARIES

- 1. Aluminum Construction and Laminated Side Walls** - Welded aluminum framing around all openings resulting in the best structural integrity in its class. Pinch roll laminated sidewall construction with 100% glue coverage.
- 2. Block Foam Insulation** - Cut to exact size to fit every opening in our walls, floors, and roof. This construction ensures the best insulation and makes your unit ready for most environments.
- 3. 16" Nitrogen Filled All Terrain Tires** - The best trailer tires on the market! These tires allow you to tackle the smooth roads and the rough surfaces. Comes with a 5 year warranty!
- 4. Frame Mounted, Walkable Steel Fenders** - Allows you to stand on the fenders to access the roof. Makes your outdoor equipment much more accessible.
- 5. Outdoor Pantry** - External storage for your food or gear.
- 6. Fully Walkable Xtreme Ply PVC Roof** - The strongest RV roof on the market! With 2x the puncture strength it is the most energy efficient and reflective roof out there keeping your trailer cooler. Comes with a 15 year, 100% manufacturer warranty!
- 7. Batwing Awning** - The roof mounted awning is packed with both style and function, it provides 270 degrees of coverage.
- 8. Outdoor Kitchen** - The two burner cooktop, 12V/110 refrigerator/freezer (standard), and secure lock-box allow you to get off the grid, but live comfortably doing it.
- 9. Fully Enclosed Underbelly with Enclosed Gate Valves** - The enclosed underbelly protects the tanks, plumbing, wiring, and chassis of the trailer.
- 10. Rhino Rack Rooftop System** - Innovative and durable rooftop storage. Allows you to bring your kayaks, surfboards, mountain bikes, and outdoor gear on every adventure!
