NOBO NO BOUNDARIES

- 1. Aluminum Construction and Laminated Side Walls** - Welded aluminum framing around all openings resulting in the best structural integrity in its class. Lightweight and durable!
- 2. Laminated Sidewalls, Slide-out Walls, Floors & Roof Section** - Pinch roll laminated construction with 100% glue coverage. Laminated on AZDEL which is 50% lighter than wood and impervious to water to increase the life of the trailer!
- 3. Block Foam Insulation** - Cut to exact size to fit every opening in our walls, floors, and roof. This construction ensures the best insulation - cooler when it's warm out and warmer when it's cold out.
- 4. Fully Enclosed Underbelly with Enclosed Gate Valves** - The enclosed underbelly protects the tanks, plumbing, wiring, and chassis of the trailer.
- 5. Full Size 60" x 80" Queen Bed Standard** - Enjoy a full-size queen bed for more comfort and sleeping space!
- 6. Rhino Rack Rooftop System** - Innovative and durable rooftop storage. Allows you to bring your kayaks, surfboards, mountain bikes, and outdoor gear on every adventure!
- 7. 15" Nitrogen Filled All Terrain Tires** - The best trailer tires on the market! These tires allow you to tackle the smooth roads and the rough surfaces with ease!
- 8. Fully Walkable Xtreme Ply PVC Roof** - The strongest RV roof on the market! With 2x the puncture strength it is the most energy efficient and reflective roof out there keeping your trailer cooler. Comes with a 15 year, 100% manufacturer warranty!
- 9. Back Country Package** -
 - Fiberglass front protective shell houses a 60" x 22" Panoramic Front Window, is much more aesthetically pleasing, and includes an Amber LED Light Strip
 - Azdel Exterior Construction and Heavy Duty Solar prep
- 10. Full-Sized Power Awning** - The awning extends and retracts at the flip of a switch for convenient operation!
