RiverStone

The Lifestyle of Luxury.
Although this unit was awarded 2019 RV News Best in Show for Luxury Fifth Wheels, the 39RLW is more than just a pretty face. Enjoy the view from the master suite through the front cap panoramic window. The new bedroom design features an added lounge area providing an additional spot to relax while enjoying the extended stay lifestyle.
The 39RBFL is equipped with a master suite full bath featuring dual sinks and large shower. A second half bath comes standard with a washer and dryer. In the spacious living room, you’ll find the added convenience of a standard desk giving you the benefit of an office without sacrificing space (optional hide-a-bed sofa in place of desk). Cozy up in front of the electric fireplace in your generously appointed living area.
The 39RKFB is designed with your dream kitchen in mind. A cupboard for every pan, a shelf for every dish, and enough counter space to prepare a meal for the entire campground. This great kitchen features a residential stainless steel dual bowl sink, Fischer Paykel dishwasher, 18 cu. ft. French door refrigerator, and 30” stainless steel microwave, overall every part of this luxury unit is grandly appointed.
The Riverstone series isn’t just about luxury its also about convenience. Our toy hauler models allow you to take your favorite hobbies on the road. The cargo area features motion sensor floor lighting and is capable of fitting a lifted golf cart or a totally decked out motorcycle.
The optional Legacy package upgrade brings even more convenient features to our already loaded Riverstone line up. This package upgrade is sure to make you the envy of the park as guests notice special finishes like full body paint, subway tile backsplash and hand laid tile flooring.

The optional Legacy Package allows you to choose from one of four full body paint options.

PREFERENTIAL SERVICE PRODUCT INFORMATION
www.ForestRiverBuyLocal.com

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit’s axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

** Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.
