CHEROKEE
WOLF PUP
TRAVEL TRAILERS
RUN WITH THE PACK.
BLACK LABEL
WHEN THE OPEN ROAD BECKONS AND THE WANDERLUST STIRS, CHEROKEE, BY FOREST RIVER, WILL HELP YOU ANSWER THE CALL.

Wolf Pup travel trailers are built to give you better comfort, style and value, so you can enjoy your travels to the fullest. Our destination trailers are a luxurious end-of-the-journey in themselves – all available for you.
The Wolf Pup 14CC has a lot to offer, featuring a rear door, split rear bathroom, mid-kitchen with 10 Cu. Ft. 12V Refrigerator, convertible dinette, and front queen bed. Entertainment includes AM/FM/Bluetooth stereo, exterior marine grade speakers, while the practical features like four stabilizer jacks, 13,500 BTU AC, MORryde entry steps, 50 watt solar panel make the unit comfortable at the campsite.
The 16FQ with sleeping for three, gives great livability and functionality in a small package. This short, lightweight floorplan is perfect for the first-time customer that is looking for a RV that is easy to manage and not too overwhelming while traveling down the road. With plenty of storage and features the 16FQ is perfect for the family.
The 16PF, with sleeping for five, gives great livability and functionality in a small package. This short, light weight floorplan is perfect for the first time customer that is looking for a RV that is easy to manage and not too overwhelming while traveling down the road. With plenty of storage and features the 16PF is perfect for the family.
The 17JG with a Chef’s Kitchen as seen here allows for preparation and visitation all at the same time. It features an interior rock wall for entertainment use, a super slide-out and large windows to enjoy all your surroundings. This floorplan with its super slide-out gives ample storage and an amazing amount of livability in a single axle RV.
This is the perfect four-person toy hauler travel trailer to pack up the four wheeler for a fun trip. This unit features a front Queen bed with teddy bear bunk above with the bath and tub shower close by. The kitchen features a convection microwave oven, two burner cook top with plenty of storage space in the overhead compartments. Enjoy your next adventure with the 18RJB!

 Specification Definitions

**GVWR (Gross Vehicle Weight Rating)** - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment, and accessories. For safety and product performance do NOT exceed the GVWR.

**GAWR (Gross Axle Weight Rating)** - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

**UVW (Unloaded Vehicle Weight)** - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit’s axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

**CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

**Estimated average based on standard build optional equipment.**

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.
