ARCTIC WOLF

IF YOU WANT MORE SQUARE FOOTAGE AND STILL HAVE YOUR EYE ON THE WEIGHT FACTOR, THEN LET US INTRODUCE YOU TO THE MOST INNOVATIVE, FULL FEATURED, AND COST EFFECTIVE BED SLIDE FIFTH WHEEL OFFERING AVAILABLE TODAY!

SALES FEATURE GUIDE

In order to make purchasing our product easy...and we all like easy, we have divided our features up in to two different categories. First and foremost are the **“Twelve Pack”** features. These are our most important features as it pertains to other competitive brands. They set us apart and they will provide you with the information you need to make a well educated buying decision.

We don't stop at just 12...this product is also packed with **“Other Outstanding Features”**. They are illustrated in the slides that follow. They are important and do a great job at illustrating why we are the fastest growing fifth wheel in North America.

Not all features may be available on all models. Recent market conditions may require component changes/substitutions/deletions – consult your sales representative for any exclusions
